SDIC Strong Workforce Collaborative Program Innovation Project Proposal Summary Sheet

Lead College	Project Title	Partner Colleges/ Organizations	Sector/s	Program Area/ TOPS	Metrics Included	Total Budget	Metrics	Executive Summary
Cuyamaca	SDICCCA Netlab Pilot	MiraCosta, Grossmont	ICT/Digital Media	140200, 210500, 0504.40	Yes	$100,000.00	**Enrollment:** Baseline (2014-2015): 621 2016-2017: 621 2017-2018: 627 2018-2019: 640 **Completion:** Baseline (2014-2015): 18 2016-2017: 18	The proposed plan leverages Cuyamaca's existing Netlab environment with an upgrade in hardware, space, power, air conditioning (HVAC), and system administrator support to increase capacity to serve Cuyamaca, Grossmont, and MiraCosta Colleges. The pilot potentially includes beta testing NetDevGroup's new Virtual Edition (VE) platform vs the legacy Netlab appliance. Lessons learned and demand from other colleges based on a regional survey during the pilot, would drive future funding requests to increase capacity as necessary based on regional interest.
Southwestern	Regional Supply Chain Management and Logistics Education and Certification Program	Palomar, SD City, SD Workforce Partnership	Advanced Manufacturing; International Trade/Logistics	0508, 0510, 0956, 0505, 0506	yes	$100,000.00	**Enrollment:** Baseline (2014-2015): 509 2016-2017: 554 2017-2018: 599 **Completion:** Baseline (2014-2015): 9 2016-2017: 11 2017-2018: 13	The project will support the new certificate/degree program in Logistics at Palomar College; the expansion of the LINCS-Supply Chain Management certification to students from the three Colleges; the review of the regional curriculum of Logistics and the regional alignment of the Business and Logistics, International Transportation and Logistics and Advanced Manufacturing from each of the Colleges with the LINCS industry recognized certification program and by the students taking industry certification exams offered by the Council of Supply Chain Management Professionals (CSCMP); the project will seek the collaboration of the San Diego Workforce Partnership as an external partner.
Miramar	San Diego Community Colleges Legal Innovation Project	Cuyamaca, Southwestern, San Diego Paralegal Assoc., San Diego County Bar Assoc.	Small Business/ Entrepreneurship	140200	Yes	$76,275.00	**Enrollment:** Baseline (2014-2015): 1,695 2016-2017: 1,712 2017-2018: 1,729 2018-2019: 1,746 **Completion:** Baseline (2014-2015): 50 2016-2017: 60 2017-2018: 65 2018-2019: 70	The proposed plan leverages the existing litigation technology curriculum at each of the colleges to develop a regional curriculum for a Litigation Technical Support Certificate, with an initial increased budget for curriculum alignment, instructor training, and software to prepare paralegals for modern law. The plan also calls for expanding our successful Bridging the Gap Program, which was developed to provide students with more "real life" practice and bridge the gap between being a paralegal student and being a paralegal, to include still more litigation technology practice beyond the traditional classroom.
Imperial Valley	SDIC ICT Veteran's Pathway to Employment	Grossmont College, Cuyamaca College, Southwestern College	ICT/Digital Media	Not Provided	N	$100,000.00	Not provided. Project under consideration	The foundation of the project is to help student Veterans in the ICT program succeed by building educational/career pathways to one of the most in-demand jobs in the sector (salesforce developers, administrators, analysts). Prepare workers for placement and advancement in high skill and high demand occupations. Colleges will work in close partnership with Viridis Learning to build a competency-based platform and, in so doing, connect students to meaningful Salesforce ICT certificate pathways to meet local employer demand.
	Total Allocated:			**$276,275.00**
