

SDIC Strong Workforce Collaborative Program Innovation Project Proposal Summary Sheet

Lead College	Project Title	Partner Colleges/ Organizations	Submitted by 5/1	Submitted by 6/16	Complete (yes/no)	Compliant (yes/no)	Sector/s	Total Budget	Committee Final Score	Recommend to ROC	Justification
Cuyamaca	SDICCCA Netlab Pilot	MiraCosta, Grossmont	x		yes	yes	ICT/Digital Media	\$100,000.00	79	Y	<ul style="list-style-type: none"> Project is innovative and is an effective use of funds. Other regions across the State are utilizing a similar Netlab project with good effect and this project would bring this to the SDIC region. Certifications received from this project are highly regarded and sought after by industry. Excellent student accessibility. This is a cloud based platform that students can access from anywhere and it additionally address and eliminates cyber-security issues. Project budget has some minor errors in structure. The committee suggests that the project work with it's Business Office to classify expenditures correctly prior to implementation.
Southwestern	Regional Supply Chain Management and Logistics Education and Certification Program	Palomar, SD City, SD Workforce Partnership	x		yes	yes	Advanced Manufacturing; International Trade/Logistics	\$100,000.00	79	Y	<ul style="list-style-type: none"> Great use of Labor Market Information. Budget is well thought out. Activities are good although they are a little unclear in some instances. Committee suggests that the project flesh out activities a little bit more and provide more detail prior to implementation.
Miramar	San Diego Community Colleges Legal Innovation Project	Cuyamaca, Southwestern, San Diego Paralegal Assoc., San Diego County Bar Assoc.		x	yes	yes	Small Business/ Entrepreneurship	\$76,275.00	71*	Y	<ul style="list-style-type: none"> Proposal leverages existing litigation technology curriculum to develop a regional curriculum for a Litigation Support Certificate. Encompasses a broad number of topics. Provides practical experience for students. Prepares students for real-time responses to changing legal technology innovations.
Imperial Valley	SDIC ICT Veteran's Pathway to Employment	Imperial College, Grossmont College, Cuyamaca College, Southwestern College		x	yes	yes	ICT/Digital Media	\$100,000.00	69.5*	Y	<ul style="list-style-type: none"> Assists Veterans and the ICT program by building educational/career pathways through a workforce development system. One stop platform for Veteran students Connects students to workforce investment boards and local employers.
