ADVANCED MANUFACTURING

CALIFORNIA'S MANUFACTURING INDUSTRY IS EXPANDING, JOB OPPORTUNITIES ARE WAITING.

ADVANCED MANUFACTURING

A new product is invented every day. And once you know the process of making something, there are rewards waiting for you. Programs in this sector train you in traditional manufacturing processes. Then, you learn how to branch out—things like customization, scalability and specific industry technologies. As California's entire manufacturing industry expands, more job opportunities go to those who choose this career path.
