

K12 Component of the Strong Workforce Program - \$164M

Purpose: Create, support, and/or expand high-quality career technical education programs at the K-12 level that are aligned with established regional goals occurring through the regional Strong Workforce Program (SWP) to increase the transition from secondary to post-secondary and career.

Funding: San Diego Imperial \$14.7 M. LEAs must partner with a community college.

Regional Allocations:

- ✓ 33% regional unemployment rate
- ✓ 33% regional ADA for grades 7-12
- ✓ 33% regional proportion of job openings

Measurements of Success: Aligned metrics

K12 Component of SWP success will be measured by the WIOA metrics: CE course completion, graduation, industry recognized certificate, license, employment in field of study, enrollment in postsecondary, apprenticeship or other form of job training.
