

**I am a California Community College Student &
I am a Champion for Career and Technical Education
Video Project**

Tell us your story

In 2021, [CCCAOE created a video](#) to tell the history of CCCAOE, Community College, Career Education, and how Career Education can provide social and economic mobility.

Now we ask you to tell us your story! While our focus is on Community College, K-12 and Adult Education experiences are welcome as well.

Prompts:

What initially brought you to Community College?

Where did you go to Community College? What was your pathway or course of study?

How has your community college and subsequent career experience changed your life or your family's life?

Tell us a time when you faced a major obstacle to success in your pathway and how you overcame it.

Was there an instructor/mentor that helped guide you through?

What insight or support did they give you to help you succeed?

Tell us one exceptional or outstanding thing about the campus where you studied or currently work.

Logistics:

During the conference: Connect with your CCCAOE RVP to sign up for a time on Thursday between 1:00 and 3:00 p.m. Check-in at the Conference Ambassador's Information Desk

After the conference: Send videos you have recorded with your phone with this [form](#).
